Fundamental Camp \$90

Mon-Thurs, 9am-12noon, Fri, 9am-1pm
 Ages: 6-10
 The Fundamental Camp program concentrates on individual development during this crucial stage of learning. Our staff will create exercises and various games that are fun and are geared to educate and improve the motor skills and overall mechanics of the player. We focus on footwork, various dribbling/ball control options at speed and in tight areas, simple passing/receiving exercises and the technique of shooting. Focusing on individual technique builds a strong foundation and a level of comfort with the ball.

Intermediate/Academy Camp \$140*

Mon-Thurs, 9am-3pm, Fri 9am-1pm
 Ages: 9-18
 The Intermediate Camp program concentrates on both individual and small group development. At this stage we continue to develop the player's technique, improving individual skills, footwork, dribbling in tight areas and at speed, passing/receiving and the artistry of finishing. Our staff will narrow in on development of combination play and small group tactics. Through these exercises participants will learn group defensive/offensive tactics and the overall principles of play. The Beasley staff understands all aspects of the game, not the least of which is mental preparation and strategic thinking. Understanding and identifying non verbal cues and improving decision making skills is crucial to the game. This unique environment encourages each player to develop their own individual skills technically and tactically as well in group settings. This experience will be exciting, challenging and most of all fun.

Creative Footwork/Striker Camp \$60

Mon-Wed, 3:30-5PM Ages: 9-18
 The Creative Footwork/Striker Camp program will focus on various skill building opportunities for the player to further develop creative footwork, improve 1v1 opportunities in tight spaces and overall creative abilities to goal. Players will be taught to utilize their shot selection opportunities and understand various ways to finish based on game-related situations. The Staff will create many exercises and challenges for players to apply their technical dribbling, fakes, moves, creative tight dribbling and overall ball control tendencies under pressure. Finishing is an artistry that can be further developed through repetition of technique and game related exercises that will allow the player to learn while participating in them. This unique camp will challenge the participants in both aspects; footwork capabilities and the technique of striking the ball.

Goalkeeping Camp \$60

Mon-Wed, 3:30-5PM Ages: 9-18
 The Goalkeeping Camp (Fundamental/Intermediate) will concentrate on developing the fundamental techniques of Goalkeeping through fun activities/exercises and games. This level will focus on proper technique and create many repetitions of that technique to assure our participants attain good habits continuously at the younger stages of their life. The Advanced/Academy Goalkeeping Camp will concentrate on refining GK technique, improve shot blocking, diving techniques, learning proper angles, agility exercises in improving footwork and improving the physical traits needed of a Goalkeeper. Goalkeepers will work together with the Striker Camp participants on game related activities and game conditional situations while using the proper application of skills. This unique camp will challenge both the Goalkeeper and Striker at many levels, thereby allowing all participants to maximize their potential in their respective position.
